AS INTRODUCED

An act relating to energy tax credits; repealing the zero emission tax credit (68 O.S. § 2357.32A), small wind turbine tax credit (68 O.S. 2357.32), and horizontal drilling tax credit (68 O.S. 1001 Subsection E); and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA

Section 1. REPEALER 68 O.S. § 2357.32A, is hereby repealed.

~~A. Except as otherwise provided in subsection H of this section, for tax years beginning on or after January 1, 2003, there shall be allowed a credit against the tax imposed by Section 2355 of this title to a taxpayer for the taxpayer's production and sale to an unrelated person of electricity generated by zero emission facilities located in this state. As used in this section:~~

~~1. "Electricity generated by zero emission facilities" means electricity that is exclusively produced by any facility located in this state with a rated production capacity of one megawatt (1 mw) or greater, constructed for the generation of electricity and placed in operation after June 4, 2001, which utilizes eligible renewable resources as its fuel source. The construction and operation of such facilities shall result in no pollution or emissions that are or may be harmful to the environment, pursuant to a determination by the Department of Environmental Quality; and~~

~~2. "Eligible renewable resources" means resources derived from:~~

- ~~a. wind,~~
- ~~b. moving water,~~
- ~~c. sun, or~~
- ~~d. geothermal energy.~~

~~B. For facilities placed in operation on or after January 1, 2003, and before January 1, 2007, the electricity generated on or after January 1, 2003, but prior to January 1, 2004, the amount of the credit shall be seventy five one hundredths of one cent (\$0.0075) for each kilowatt hour of electricity generated by zero emission facilities. For electricity generated on or after January 1, 2004, but prior to January 1, 2007, the amount of the credit shall be fifty one hundredths of one cent (\$0.0050) per kilowatt hour for electricity generated by zero emission facilities. For electricity generated on or after January 1, 2007, but prior to January 1, 2012, the amount of the credit shall be twenty five one hundredths of one cent (\$0.0025) per kilowatt hour of electricity generated by zero emission facilities. For facilities placed in operation on or after January 1, 2007, and before January 1, 2016, for the electricity generated by these facilities the amount of the credit shall be fifty one hundredths of one cent (\$0.0050) for each kilowatt hour of electricity~~

1 generated by zero-emission facilities.
2

3 ~~C.—Credits may be claimed with respect to electricity generated on or after January 1, 2003,~~
4 ~~during a ten-year period following the date that the facility is placed in operation on or after June~~
5 ~~4, 2001.~~
6

7 ~~D.—If the credit allowed pursuant to this section exceeds the amount of income taxes due or if~~
8 ~~there are no state income taxes due on the income of the taxpayer, the amount of the credit~~
9 ~~allowed but not used in any tax year may be carried forward as a credit against subsequent~~
10 ~~income tax liability for a period not exceeding ten (10) years.~~
11

12 ~~E.—Any nontaxable entities, including agencies of the State of Oklahoma or political~~
13 ~~subdivisions thereof, shall be eligible to establish a transferable tax credit in the amount provided~~
14 ~~in subsection B of this section. Such tax credit shall be a property right available to a state~~
15 ~~agency or political subdivision of this state to transfer or sell to a taxable entity, whether~~
16 ~~individual or corporate, who shall have an actual or anticipated income tax liability under~~
17 ~~Section 2355 of this title. These tax credit provisions are authorized as an incentive to the State~~
18 ~~of Oklahoma, its agencies and political subdivisions to encourage the expenditure of funds in the~~
19 ~~development, construction and utilization of electricity from zero-emission facilities as defined~~
20 ~~in subsection A of this section.~~
21

22 ~~F.—The amount of the credit allowed, but not used, shall be freely transferable at any time~~
23 ~~during the ten (10) years following the year of qualification. Any person to whom or to which a~~
24 ~~tax credit is transferred shall have only such rights to claim and use the credit under the terms~~
25 ~~that would have applied to the entity by whom or by which the tax credit was transferred. The~~
26 ~~provisions of this subsection shall not limit the ability of a tax credit transferee to reduce the tax~~
27 ~~liability of the transferee, regardless of the actual tax liability of the tax credit transferor, for the~~
28 ~~relevant taxable period. The transferor initially allowed the credit and any subsequent transferees~~
29 ~~shall jointly file a copy of any written transfer agreement with the Oklahoma Tax Commission~~
30 ~~within thirty (30) days of the transfer. The written agreement shall contain the name, address and~~

32 ~~of the credit being transferred, the year the credit was originally allowed to the transferor, and the~~
33 ~~tax year or years for which the credit may be claimed. The Tax Commission may promulgate~~
34 ~~rules to permit verification of the validity and timeliness of the tax credit claimed upon a tax~~
35 ~~return pursuant to this subsection but shall not promulgate any rules that unduly restrict or hinder~~
36 ~~the transfers of such tax credit. The tax credit allowed by this section, upon the election of the~~
37 ~~taxpayer, may be claimed as a payment of tax, a prepayment of tax or a payment of estimated tax~~
38 ~~for purposes of Section 1803 or Section 2355 of this title.~~
39

40 ~~G.—For electricity generation produced and sold in a calendar year, the tax credit allowed by~~
41 ~~the provisions of this section, upon election of the taxpayer, shall be treated and may be claimed~~
42 ~~as a payment of tax, a prepayment of tax or a payment of estimated tax for purposes of Section~~
43 ~~2355 of this title on or after July 1 of the following calendar year.~~
44

45 ~~H.—No credit otherwise authorized by the provisions of this section may be claimed for any~~
46 ~~event, transaction, investment, expenditure or other act occurring on or after July 1, 2010, for~~

1 which the credit would otherwise be allowable until the provisions of this subsection shall cease
2 to be operative on July 1, 2011. Beginning July 1, 2011, the credit authorized by this section may
3 be claimed for any event, transaction, investment, expenditure or other act occurring on or after
4 July 1, 2010, according to the provisions of this section. Any tax credits which accrue during the
5 period of July 1, 2010, through June 30, 2011, may not be claimed for any period prior to the

A Concurrent Resolution honoring Edward Snowden for his duty and self-sacrifice in protecting the constitutional rights of Americans.

WHEREAS, The right to privacy is one of the most important and fundamental rights of all humans, including Americans;

WHEREAS, The American Government, along with four other countries, has been blatantly violating this right to privacy with such programs as PRISM and MUSCULAR that are worryingly reminiscent of the world in George Orwell's book *1984*;

WHEREAS, Edward Snowden, having learned about these secret programs, decided to be a whistleblower and let the American people and the world know that their rights were being violated, with the full understanding that he would be persecuted and potentially prosecuted for his disclosures, and would have to leave his family behind; and

WHEREAS, Snowden can no longer set foot on American soil, or travel freely due to his sacrifice and must live in a foreign land; and

WHEREAS, Due to Snowden's actions, the public is now armed with the information necessary to discuss and decide for itself whether or not America should be a surveillance state, or if privacy should be respected;

NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE 1ST SESSION OF THE 46TH OKLAHOMA INTERCOLLEGIATE LEGISLATURE, THE SENATE CONCURRING THEREIN:

THAT, the Oklahoma Intercollegiate Legislature and the Oklahoma Intercollegiate Legislature Foundation congratulates Mr. Edward Snowden for his patriotism, bravery, and self-sacrifice in releasing information regarding the violation of a basic human right by the United States Government.

BE IT ENACTED BY THE STATE OF OKLAHOMA

Section 1. This act shall be known as the Foster Care Educational Provision Act of 2014.

Section 2. NEW LAW A new section of law to be codified in the Oklahoma Statutes to read as follows:

When a child is entered into the Oklahoma foster child care system, there will be a provision made for their future secondary education needs. Within one week of a child entering the Oklahoma foster care system, there will be a secondary education fund created and funded with four hundred (400) dollars of Oklahoma taxpayer money; the will receive the optimum investment rate of the date. The state will have the power of attorney regarding each educational fund until the fund is used for the specific child's secondary education tuition. If the child does not attend a secondary educational institute by the age of 25, the unused education fund will be utilized, at no penalty, to fund additional educational funds for foster children. If there is no need for additional funds at the time of their availability, the extra funds will be used to supplement existing foster children educational funds via equal distribution.

The intended purpose of this state act is to designate financial provisions for foster children to receive secondary education. Foster children have a lower secondary education attendance rate than "regular" children in their respective age brackets; foster children also have a higher rate of student loan utilization to finance their secondary education experience. Students may be evaluated based on understanding of course material, but no public school student may be penalized for subscribing to any particular belief.

Oklahoma Intercollegiate Legislature
1st Session of the 46th Legislature (2014)

House Bill No. UCO-508

Kouts (UCO)

AS INTRODUCED

An act relating to time traveling ethics; providing short title; providing for definitions; providing for codification; providing for penalties; and providing an effective date.

BE IT ENACTED BY THE STATE OF OKLAHOMA

Section 1. This act shall be known as the “Time Travel Ethics” Act of 2013.

Section 2. DEFINITIONS

A. Time Travel: Traveling by any means (including such means as T.A.R.D.I.S., DeLorean, Starship Enterprise, Future Gadget Numero Eight, ley lines, cardboard box, alien spaceship, vortex converter, etc.) which physically transports the traveler to a former or future time.

B. Guardian: A time travel guide, whether human or alien, certified by the State of Oklahoma as being fit to lead time travel expeditions, who is exceptionally experienced in time travel. These guides know which specific actions translate to which specific changes in the space- time continuum. Guardians are highly ethical, and know how to avoid creating major butterfly effects, especially those which would cause mass chaos to future humanity.

C. Time Travel Ethics Course and Evaluation: A course which trains the potential traveler to recognize patterns of interactions which cause shifts in the space- time vortex. This class teaches the student how to avoid negative or major shifts in history while they travel, and focuses on the ethics of time travel (mainly centering on allowing history to take its course without significant interference.) The course trains the traveler how to engage with history as an observer only, thereby limiting the amount of interference created in history. At the end of the course, a test is given, evaluating whether the traveler is mature enough to undertake such a journey. The test is given on a pass/fail basis.

D. Time Travel Science Unit: This agency monitors all time travel and butterfly effects with the goal of minimizing major changes (whether negative or positive) to the historical timeline. One section of this agency includes a specialized police force which is trained in the pursuit of illegal time travelers.

Section 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes to read as follows:

All persons who engage in time travel must be accompanied by an experienced guardian of time travel certified by the State of Oklahoma. Additionally, travelers must take the Time

1 Traveling Ethics Course, earning a passing grade on the evaluation. If these conditions are met,
2 the traveler must apply for a time-traveling certificate at the Department of Transportation,
3 which will allow them to travel anywhere within previously explored time. If the traveler wishes
4 to travel outside of these previously explored times or dimensions, they must apply to become a
5 certified guardian.

6
7 Time travel will be overseen by the Department of Transportation and will comply with
8 Title 16 Legislation.

9
10 Section 4. PENALTIES:

11
12 Travel will be strictly enforced by the Department of Transportation's Time Travel
13 Science Unit (TTSU). If it is discovered that unlicensed time travel is occurring, the TTSU will
14 contact the Oklahoma State Police Department, which will then put out a warrant for the arrest of
15 the traveler(s). If a butterfly effect is detected, the State TTSU Police Force will follow the time
16 traveler(s) trail and arrest them wherever they have traveled. Bail must not fall under \$500,000,
17 but must not exceed \$1,000,000.

18
19 Section 5. This act shall become effective 90 days after passage and approval.

18
19 The student's scholarship application must be submitted by the parent/guardian to the
20 Oklahoma State Department of Education (OSDE) by mail or fax, with the required
21 documentation, by December 1st of the year that parent/guardian is seeking the scholarship.
22 Applications received after December 1st will be processed for the following school year.

23
24 Section 4. This act shall become effective 12 months after passage and approval.
