

# Happy Grams

**:a note of well-wishes and  
encouragement**

Happy grams are making an appearance for the first time at the 1st session of the 56th Oklahoma Intercollegiate Legislature.

Happy grams are used to boost morale within a group of people and can be used to send good wishes and encouragement. Head Freshmen Liaison and House Representative, Audrey Bishop (OSU), had the idea from her past experiences in the FFA.

“I wanted to do happy grams to allow for more personalized forms of encouragement and well-wishes, said Rep. Bishop (OSU), and this gives delegates memos that can remind them of session.”

Delegates in the House can find Rep. Bishop in the House Chambers to make a folder and to create happy grams for other delegates. Happy grams do not take away from the famous brag bags!
